THE HOBOKEN SHELTER

3 Offsite Volunteer Projects

You can make these kits at home, at school, or at the office to care for your neighbors in need. There is no minimum on the number of kits we can accept.

GRAB-AND-GO LUNCH KIT

Include a wrapped sandwich like bologna, turkey, cheese, or peanut butter and jelly. Add an optional snack, a piece of fruit, and a drink. Pack in a plastic storage bag or brown paper bag.

UTENSIL KIT

Wrap a plastic fork, knife, and spoon in a paper napkin and seal with tape or tie with a ribbon. You can also pack the napkin and utensils in a plastic sandwich bag along with a salt and pepper packet.

PERSONAL CARE KIT

Pack travel-size essentials such as shampoo, conditioner, razors, shaving cream, soap, and deodorant in a plastic storage bag. In winter, add adult-sized gloves or a hand warmer for extra help.
